GILMORE COLLEGE,
*a private college founded in 1989, is de-
voted to developing courses and seminars
for the total development of an individ-
ual's full potential, for his or her personal
and professional success.*

Courses offered at Gilmore College have been
designed with the fundamental objective of helping
the adult learner acquire not only technical skills but
also human relations skills through

education.

Excellence, integrity, loyalty, honesty and
civic responsibility are qualities we strive to achieve
in our various courses and

seminars.
